

Introduced by Senator Romero

February 20, 2004

An act to amend Section 12309.5 of the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

SB 1670, as introduced, Romero. Elections: poll standards.

Existing law requires the Secretary of State to adopt uniform standards for the training of precinct board members based upon the recommendations of a task force of members appointed by the secretary. Existing law requires that the uniform standards address poll hours, among other things.

This bill would require that in addition to poll hours, the standards also address procedures concerning the opening and closing of polling locations on election day, and would require that procedures be developed to ensure that all eligible voters who arrive at the polling location prior to closing time are allowed to vote.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
